

## Directions for Viewing Homework on Hillel Yeshiva Website

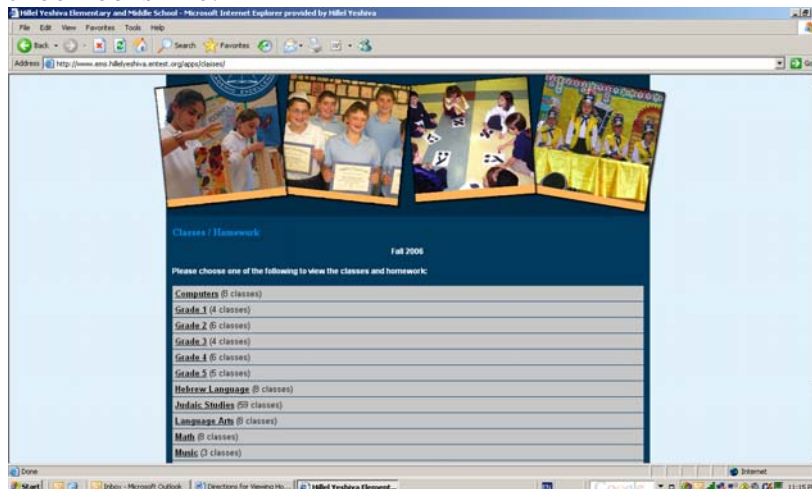

1. Go to the Hillel Yeshiva Website at [www.hillelyeshiva.org](http://www.hillelyeshiva.org)

2. On the right sidebar click on "Student Link". It should get you to this page:

3. Click on High School Classes, Elementary/ Middle School School Classes, or ELC Classes to see the departments in the various schools. Here is what the Elementary/ Middle School looks like:

- Click on the grade you want for elementary school or department you want for middle school and high school. Here is what the Middle School math department looks like.

- Click directly on Homework or Assignments to view the homework. The newest homework appears on top while older assignments appear on the bottom or on other pages. You can also open homeworks with attachments from the website.
