

Congratulations Hillel Grads

T

he goal of Hillel Yeshiva, beginning with the ELC, elementary and middle schools, through the demanding high school program, is the education of the whole child by encouraging a love of learning and instilling in each student a sense of confidence. Hillel takes pride in offering both rigorous general studies and Judaic studies programs while strengthening each student's bond with Eretz Yisrael.

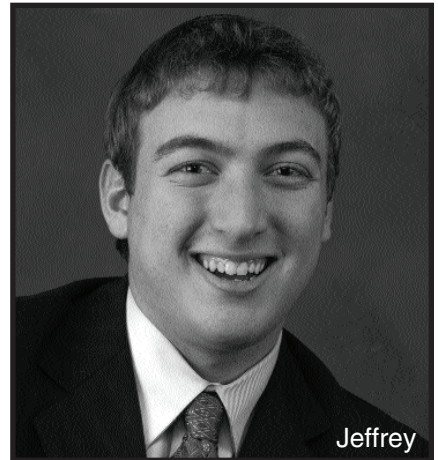

This year we take tremendous pride in the accomplishments of our high school graduates as well as the accomplishments of students that attend other high schools but received a strong foundation at Hillel Yeshiva. We congratulate the following students on their achievements and wish them a future filled with continued success:
